Concessions update:

- No one knows what fall sport season brings. Once guidelines are established by our Governor, Davidson County School District and the NCHSAA, the board will work to ensure concession stand procedures are put into place.
- HopeCity Food Truck will be available for our Home football games.

Golf Tournament:

- The board will look into hosting a golf tournament the latter part of August. Eddie Longbottom will reach out to Meadowlands for availability.

Hudl:

- Stan Smith will discuss with Hudl regarding payment options. Board is unsure how much to spend or pay at this time since the future of sports is uncertain. Will Hudl issue refunds if we are unable to utilize?

Next booster meeting TBD.
